## Birthday Fun

### Granite State Gymnastics throws an amazing party!

Each party has exclusive time in both of our gyms allowing the children free reign over 7,000 square feet. Your party coordinator will ensure your party is a raving success.

Watch your children climb our 18' rock wall, take a ride on our zip line, slip down our giant wave slide and race their friends through the Wacky World inflatable obstacle course.

Our staff will interact with the children ensuring everyone has an unbelievable time. After an hour of experiencing everything we have to offer they move to a private party room for an hour of what ever you have planned. Your party room is an empty slate (with tables & chairs) for you to decorate and enjoy.

**Granite State Gymnastics**  
**Where Kids Come First!**
