

## Philosophy:

Your child will only be young once, here at Granite State Gymnastics we want to make the most of this precious time. Our Preschooler Enrichment class is designed to encourage your child to observe, question, and explore learning through the use of various hands-on activities. Our staff is here to ensure that your child's first "school" experience is a positive one. We will enrich your child's life mentally and physically, developing the confidence and self-esteem that leads to a lifetime of success.

## Your Preschooler's Day

### Daily activities:

- Literacy concepts, building a foundation of reading and writing skills.
- The world of mathematics through sorting, grouping, and counting.
- Children showcase their creativity and imagination through dramatic play, art, and puppetry.
- Develop confidence in a group by trying new things, participating in Show-n-Tell, and working on group activities.
- Large and fine motor skill development through gymnastic instruction.
